

RESPONSE TO OFFICE ACTION UNDER 37 C.F.R. § 1.111

United States Patent Application 10705261

Attorney Docket Q78301

REMARKS

Claims 1-16 are all the claims pending in the application.

In the Office Action, the Examiner drew Applicant's attention to the point that the claim Applicant elected for examination, as being readable on Figs. 9 and 10 of the application, is a dependent claim, and to the point that the independent claim should necessarily also read upon the same drawing figures.

Applicant gratefully notes the Examiner's points, and after careful review, responds by stating that Applicant elects claims 9 and 10 for examination as being readable upon Figs. 9 and 10 of the application.

Applicant points out that claims 11-14 also depend directly or indirectly from independent claim 9.

If any points remain in issue which the Examiner feels may be best resolved through a personal or telephone interview, the Examiner is kindly invited to contact the undersigned attorney at the telephone number listed below.

The USPTO is directed and authorized to charge all required fees, except for the Issue Fee and the Publication Fee, to Deposit Account No. 19-4880. Please also credit any overpayments to said Deposit Account.

Respectfully submitted,
